

Comunitario Bench

Diana Cabeza. 2002

Urbidermis

Materials

Structure formed by galvanized steel profiles painted Oxiron black.

Seat and backrest made from solid Iroko wood slats certified FSC 100% protected with one-coat oil.

Installation and maintenance

Installation not required, although bore holes are provided if it is required.

The bench is delivered disassembled in two parts: structure and slats. Instructions and screws included.

No maintenance required, except to preserve the original colour of the wood.
